Martha Ann Williams

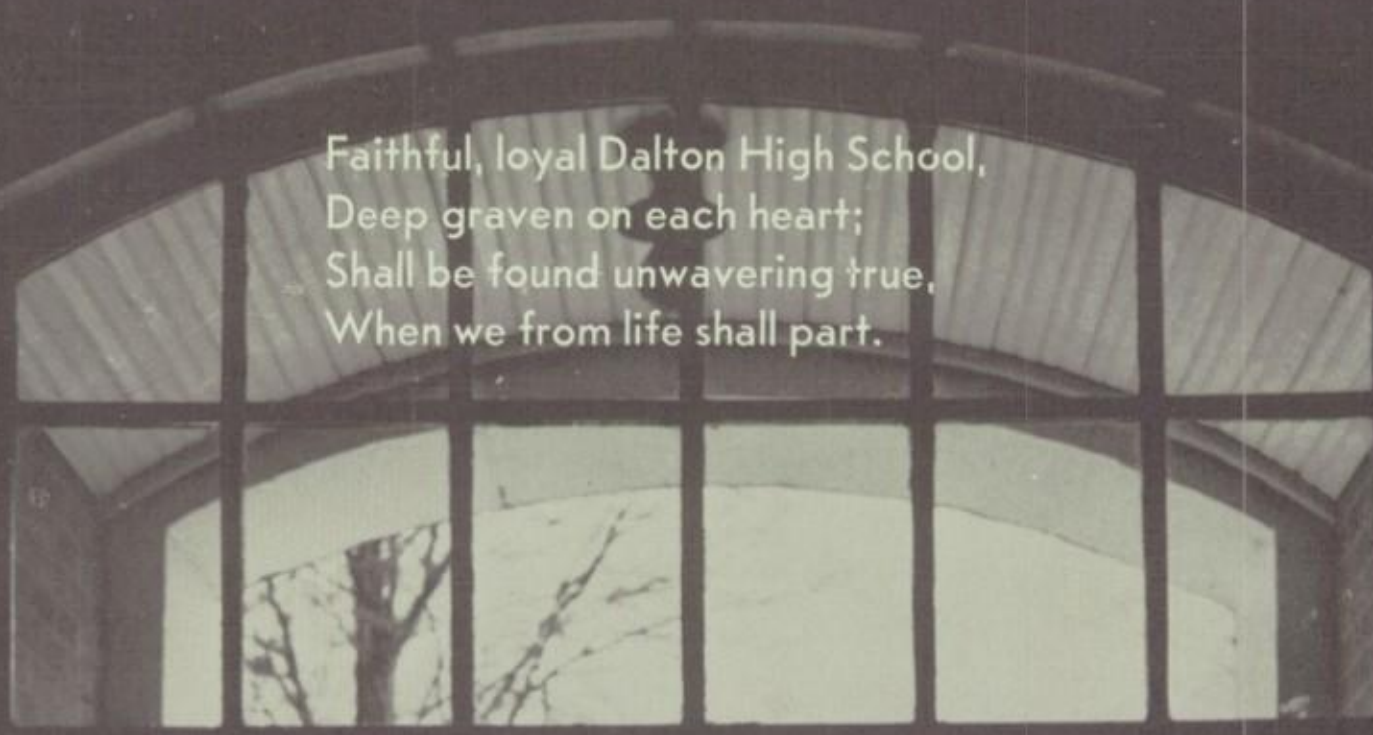

Willie -
we've had great fun
these 3 years - just hope
we do as well next year
with "TANK" and Mr. Charnus!
Maybe we can have a reunion
at Auburn in about 3 years.
Best of luck always and I hope
you and Betty make up your
time. I love you kid,
Betty

Willie -
Haven't we had some great
times since the fifth grade.
I'm going to miss you 'all up
here next year. So since I'm
not going to be here to chaperon
you'll have to be extra good.
Best wishes always -
Lillian

W.D.J.C.

Dear Ole
Willie,
Gosh, what hadn't
we done this year! We've
laughed together, cried together,
and no telling what else! I
forgot - we've also fussed together -
not only at teachers but about every-
thing in general. It has really
been great fun! Here's
hoping we have as much fun next
year. No sense saying, "man,
if the Seniors are gone!" Don't forget
you have the best of everything for that.
too much time left at D.H.S. for that. Don't forget
the fun we've had! - MAKING UP TIME, ETC!!!!
Love you loads,
Nancy "Etter"

Faithful, loyal Dalton High School,
Deep graven on each heart;
Shall be found unwavering true,
When we from life shall part.

DEDICATION

CHARLES E. BOWEN

For his unending patience and sympathy we admire him, for his honest judgment and evaluation we praise him, for his un-failing kindness and understanding we love him, and for his sincere and genuine interest in each of us we thank him.

Thus in expression of our admiration, praise, and thanks this 1955 edition of the Catamount is lovingly dedicated to Mr. Charles E. Bowen, our principal.

CAROL ROGERS, Editor

FOREWORD

We, the Catamount Staff, proudly present your 1955 annual.

Herein are familiar names and faces as well as glimpses of the year's activities.

It is our desire that in later years you will use these pages to recapture the fun and light-hearted gaiety of D.H.S. life and to again relive those experiences which have perhaps brought you joy, lasting friendships, understanding, and guidance to a better way of life.

AROUND THE WORLD IN SIXTY MINUTES

"And so to class we go"

ENGLISH

Here freshman are shown learning proper methods of sentence diagramming along with other English fundamentals.

Correct reference habits are useful in many ways when seniors begin writing research themes.

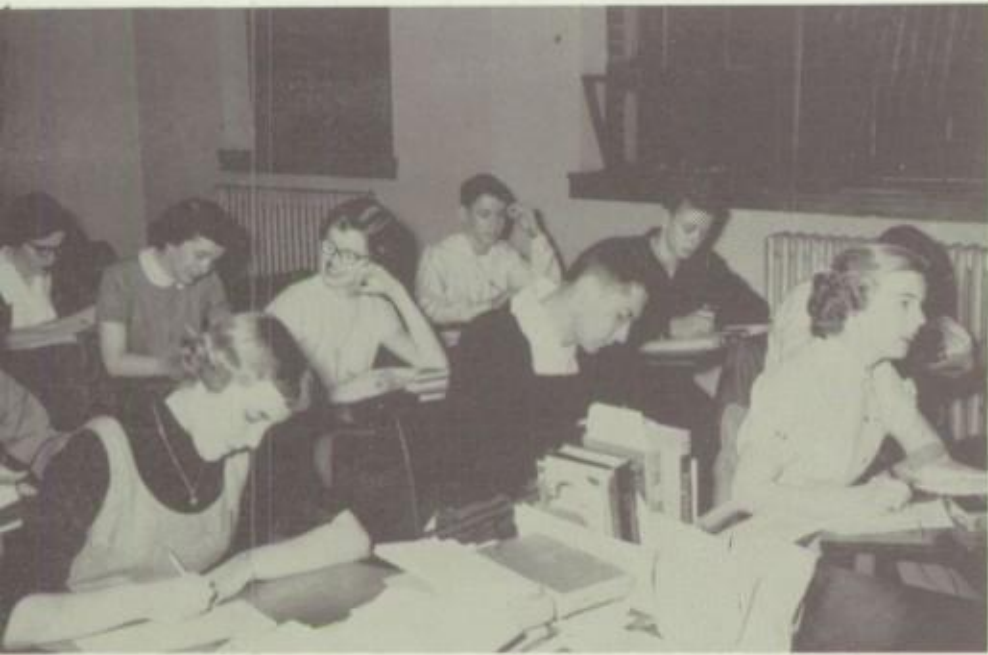

Sophomores enjoy selecting parallel reading and talking over book reports.

The study and enjoyment of poetry proves interesting to these juniors.

LATIN

Students find that Latin is a very helpful subject. As well as learning more about ancient Rome they acquire a knowledge of the language which is quite valuable in understanding our own.

FRENCH

French students learn many of the customs of France as well as how to speak, read, and understand the language. Here French students are working on their "devoirs" (homework).

SPEECH

Speech is offered to all senior students and is designed to help in oral expression and overcoming shyness.

JOURNALISM

Students in all grades may take journalism. After one year of study they are elected to staff positions by the student body.

Mathematical courses offered to all students include general math; plane geometry and algebra I and II. Advanced algebra is an elective for many seniors.

The Social Studies Department operates on the theory that high school students are citizens today as well as citizens of tomorrow. The first social studies offered is that of civics which is taught to ninth grade students.

World History helps sophomore students in understanding many of today's world problems.

Students get a very comprehensive survey of science at work in their chemistry, physics, biology, and general science classes.

Laboratory work is one of the most interesting activities in all the scientific courses.

Government elected by many high school Seniors is designed to help them to understand better the principles of American democracy.

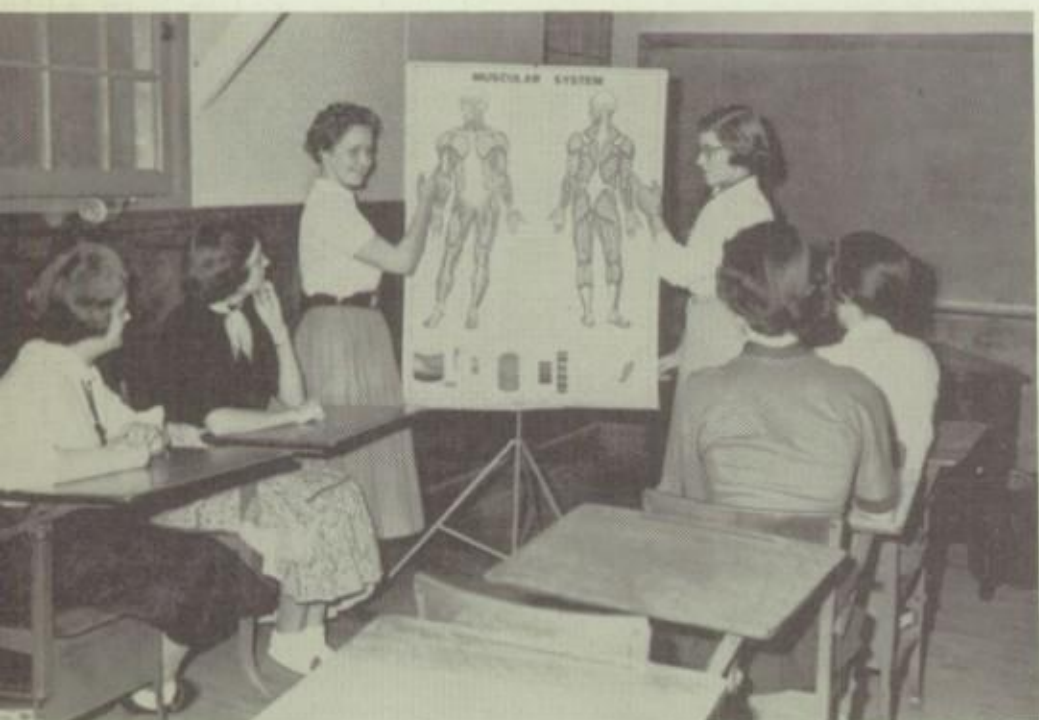

American History taken by many high school Juniors instills in them the principles upon which these United States were founded and leads them to more fully appreciate their heritage.

ART

In art class students learn proper color combinations as well as art techniques. The materials used are water colors, oil paints, fabrics, plastics, and woods.

Photography is included as a part of the art course. Developing pictures, proper lighting, technique, and the tinting of pictures are some of the features studied.

HEALTH

Health and physical education is offered to students in all four classes and is taken as a combined course. Students are taught first aid methods, proper nutritional habits and the care and structure of the anatomy.

Pressure points are being discussed while one is demonstrated.

MUSIC

The music courses at Dalton High are very instructive as well as enjoyable. Music appreciation is stressed in all of these courses.

One of the newest and most interesting groups to be organized on campus is the string section.

Individual practice as well as group practice go into the making of a good band or chorus. Both methods are used as students enjoy singing and playing music of all types.

PHYSICAL EDUCATION

Folk dancing is an interesting phase of the physical education classes. Here some of the girls and boys demonstrate one of the steps used (heel-and-toe).

Competitive sports which are in season afford both boys and girls a chance to exercise and learn the fundamentals of playing well together.

VOCATIONAL COURSES

INDUSTRIAL ARTS

Learning a skill or trade which in later life will be of much use is the purpose of Industrial Arts. Here the boys are shown working with wood.

HOMEMAKING

Homemaking is offered to girls in all four classes. Shown here are two fields studied during the year, clothing and food. These classes also touch on beauty care, meal planning, gardening, home nursing and many other helpful ideas.

COMMERCIAL

Commercial subjects include typing, book-keeping, shorthand, and secretarial training.

In typing, practice makes perfect and students have frequent speed tests and drills to increase their speed and perfection.

Shorthand and book-keeping are two of the most helpful commercial subjects offered. Both courses help prepare students for the business and commercial world.

Club representatives will attend the International District Convention in Augusta, Georgia, as guests of their sponsors, the Senior Civitans.

Outstanding projects this year were campaigning to Curb Carleless Cursing, presenting awards to the four best D.H.S. citizens, giving Thanksgiving baskets, presenting the two traditional talent shows in assembly, sponsoring an optimist week, and furnishing Civil Defense helpers.

Sparkling the school year was the club's Valentine Ball.

Plans are being talked over for gift boxes and health forums.

Enrollment in the American Junior Red Cross each year is, in the truest sense, the beginning of further adventures in service to the community, nation, and the world.

The Jr. Red Cross Council at D.H.S. also serves as a Health Council to discuss health problems on the campus.

Front row: Mrs. Stanley Wynn, advisor; Raina Stein, Ann Hanson, Carolyn Scott, Wanda King, Judy Blaylock, Conrad Easley, David Patrick. Second row: Billy Lount, Faye Thomas, Phyllis Moore, Barbara Taylor, Jean Howell, Sandra Drennon, Nathan Hunsucker, Larry Ellis, Jim Rogers.

Y COUNCIL

The "Y" Council, whose purpose is to coordinate the work of the "Y" Clubs, is composed of all the presidents and advisors of the Hi-Y and Tri-Hi-Y Clubs on the campus.

Projects undertaken by the Council this year were a Halloween Party for underprivileged children, Teen Talks and being host to district Christian Life Conference.

Presidents and advisors held meetings in hall of Annex prior to dinner to be served by one of the "Y" Clubs.

YOUTH ASSEMBLY AND CHRISTIAN LIFE CONFERENCE

One of the highlights of the year comes in the early winter when each "Y" club in Georgia sends delegates to the annual Youth Assembly, held in Atlanta at the state capitol. There the young people sit in as representatives and senators, thus learning more about our government.

Another annual event comes in the month of March when the Christian Life Conference is held. The Dalton "Y" clubs entertained the Northwest Georgia District "Y" members this year when a group of 400 boys and girls spent the week-end in Dalton. Programs were presented teaching youth how to make their lives more Christian.

Youth Assembly Delegates talk over plans for meeting in Atlanta, December 2, 3, 4.

Merritt Bond, President Northwest District, presides at Christian Life Conference.

FRESHMAN-SOPHOMORE FUTURE HOMEMAKERS OF AMERICA

Some of the purposes of the FHA are to promote a growing appreciation of the joys of homemaking and to encourage democratic living in home, community, and nation. "Toward New Horizons" is the motto of the FHA. The aim of the organization is to learn to live better today in order that our lives and those of our families may be better tomorrow.

Tennis Courts Afford Hosts Of Activities

Five sports activities plus an unlimited number of outdoor sport games can be played on the \$6,000 play courts, provided by the Ira N. Nochumson foundation.

The courts, which are primarily set up for tennis, also have adjustable goals for basketball, volleyball, badminton, and shuffle board. Other outdoor games also can be played on the ultra-modern structure.

The two tennis courts, standard for double tennis games, are equipped with a new stainless steel net. This net, the latest in style, "can stand the abuse of fast playing without injury to the ball or player", says the company that manufactures the nets. A \$2,000 fence encloses the entire structure.

Besides the tennis courts, two basketball courts are provided in the play court. The adjustable goals are now set at the standard basketball height, but they could be lowered for use by elementary or junior high school students.

MILLENDER ELECTED PRESIDENT OF G.S.P.A. HI-LIGHT RECEIVES HONORABLE MENTION

Dalton High School received two honors at the 27th annual Georgia Scholastic Press Association held on the campus of the University of Georgia. Eleven DHS journalism students and their advisor, Miss Maybelle Thompson attended the meet.

Dalton's Lewis Millender was elected president of the G. S. P. A. for the coming year. Other officers are first vice president, Michael Hutton, Baker High, Columbus; second vice president, Judy Wood, Macon Vocational School, and secretary, John Blankenship, Jordan High of Columbus.

A certificate of honorable mention was presented to Hi Light editor, Johnny Mitchell for the commendable work done by the Hi Light staff.

Nadine Beach, G.S.P.A. president called the meeting to order in the University chapel. Dean John C. Drewry welcomed the High School journalists to the University campus.

"Career Opportunities in the Great, Growing Communications Field" was the theme of the pro-

tions, Trade Journals, and Specialized Periodicals.

Managing Editor of the Atlanta Journal, William T. Ray, Jr., explained the various functions of his newspaper and the press services.

Jimmy Bridges of WSB, Atlanta, spoke on the subject of Radio and Television.

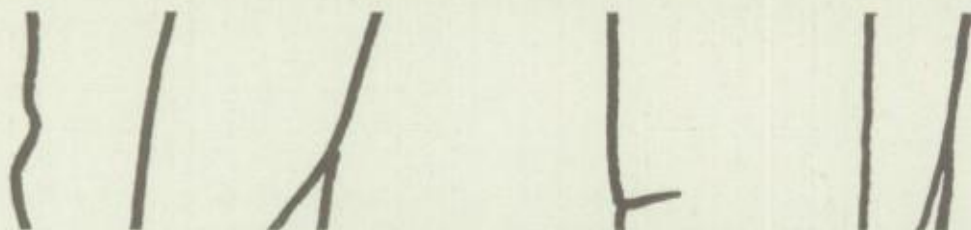

Miss Maybelle Thompson conducted a tour of the University campus for the Dalton delegation. The group viewed various campus buildings, including the new three million dollar library building.

Preceding the luncheon held for the delegates at the Georgian Hotel, awards were presented to the school publications by various dignitaries in the journalism field. Presiding at the luncheon was James T. Sheppard, president of the University chapter of the Sigma Delta Chi. An address was made during the luncheon by Louis T. Griffith, Director of Public Relations at the University. Music was furnished by a local Athens orchestra.

In the afternoon sessions dele-

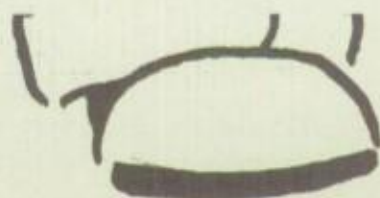

First row, left to right: Ralph Arnold, John Earl Ingle, Billy Foster, Dorris Akers (Secretary and Treasurer), Mary Ann King, Benny Roberson (President), Charles Forrest (Vice President), Edward Mitchell, Jerry Henderson, and Jacky Rowe. Deitz, Jimmy Neal, Charles Cross, Harry Manus, Kelley Norton, Edwin Norton, Raymond Davis, Mrs. Lila Helms, Advisor.

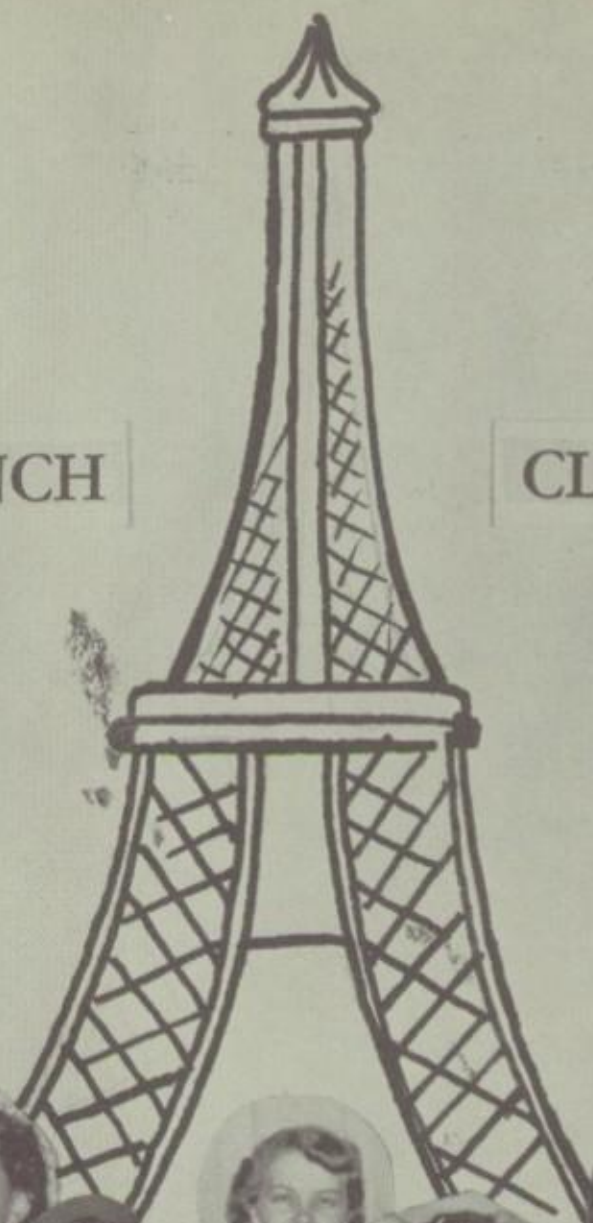

The purpose of the Art Club is to teach art techniques and appreciation. The mediums are oils, water color, tempera, pencil, chalk, and charcoal. The club was organized eight years ago to give talented students a chance to express themselves in their chosen field of interest.

Besides art and crafts, photography is also taught. Basic instruction is given in the technique used from the moment the picture is snapped until it is enlarged and tinted.

FRENCH

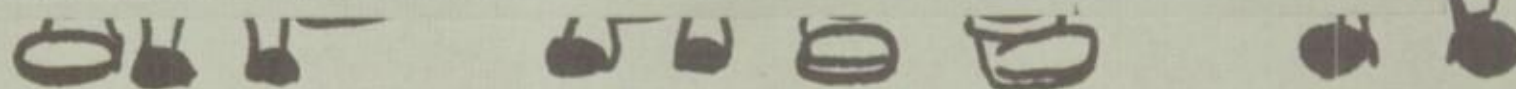

CLUB

"C'EST SI BON"

Through conducting its meetings in French, writing and presenting French plays, and playing games in French, Le Cercle Francais hopes to facilitate the speaking and understanding of the language and to acquaint the students with French culture. The club is open to second year French students.

"See ya Thursday at Coach's House" has become a DHS saying for members of one of the few clubs on the campus dedicated to personal enjoyment.

The Poetry Club, organized last year, furnishes senior boys and girls the opportunity to read poetry, listen to music, and exchange ideas at its informal, bi-monthly meetings.

The aesthetic high point for the year came when the club members attended the American Ballet Theater's performance in Chattanooga.

INTRAMURALS

One of the most interesting activities sponsored by the Physical Education Department is the annual homeroom basketball tournament in March.

Varsity and "B" team players are ineligible to participate in these games.

Through the process of elimination a boys' and girls' winning team is selected for each grade level. Freshman and sophomore winners vie for the Annex championship and the junior and senior winners compete for Main Building honors. Climaxing the tournament is the deciding contest between the Annex and the Main Building.

Annuals, Annuals was our cry
 Sell five hundred, do or die
 Selling, we found, was the mere
 beginning
 Of much work, this is the ending.
